About Me

Hello there! My name is Christopher and my journey in the professional world has been nothing short of enriching. With a dynamic background spanning various roles from IT support and strategic planning to corporate leadership and business development, I've always been at the crossroads of technology and innovation. Over the recent years, my passion led me to dive deeper into the digital realm, and I proudly transformed myself into a Full Stack Developer. As a developer I am dedicated to creating modern, responsive websites that captivate audiences and drive business objectives. I possess a keen eye for design, balanced with technical proficiency, ensuring every site I create not only looks stunning but functions seamlessly. Whether you're looking for a minimalist portfolio, a dynamic e-commerce platform, or anything in between, I'm your go-to developer. Let's bring your vision to life!

EXPERIENCE

MANAGING DIRECTOR

Puzzle Escape Room AB

Stockholm, Sweden

2021 - 2023

As Managing Director at Puzzle Escape Room AB, I held a pivotal leadership role in guiding the company's overall strategic direction, operations, and expansion initiatives. I successfully managed a multidimensional portfolio, including operations, HR, staff development, and facility management. In this capacity, I played an instrumental role in the growth and prosperity of the company.

GLOBAL FRANCHISE DIRECTOR

Fox in a Box Holding AB

Stockholm, Sweden

2018 - 2020

In my role as Global Franchise Director for Fox in a Box, I served as the key liaison between the company and our diverse network of 34 international partner locations across 17 countries and 4 continents. This role involved strategic negotiation, rigorous partner management, product sales, and brand education.

GENERAL MANAGER

Fox in a Box Stockholm AB

Stockholm, Sweden

2016 - 2018

As the General Manager at Fox in a Box Stockholm AB, I led various facets of the business including sales, human resources, operations, and financial planning. My strategic leadership not only resulted in record-breaking product sales but also cultivated a motivated team that propelled the company's growth.

CLIENT SUPPORT TECHNICIAN

Retail Data Systems

Lenexa, Kansas

2014 - 2016

As a Client Support Technician at Retail Data Systems, I played an instrumental role in configuring, deploying, and maintaining server systems for retail locations and their Point-of-Sale (POS) systems. I was responsible for network troubleshooting, POS system installation, ensuring inter-platform functionality, and providing ongoing client support.

DEPUTY I.T. HELP DESK MANAGER

U.S. Toy Co

Grandview, Missouri

2014 - 2016

As the Deputy I.T. Help Desk Manager for U.S. Toy Co, I managed all IT-related products for the corporate headquarters, nine retail stores, and a warehouse spanning over 1.5 million square feet. My role involved providing both on-site and remote support, maintaining IT hardware and software across all departments, and overseeing the company's e-commerce platform.
